REGIONAL TRAINING PROVIDERS' MEETINGS – A CONSULTATION			
<p>In consideration of feedback received from Training Providers after the Global Physical (Face to face) RTP meeting held in September 2019, it is noted that the majority of those attending found significant benefit in the opportunity to network and discuss issues more widely.</p> <p>Mindful of this, training centres are being consulted on how they would wish to proceed for future meetings. There are three options for you to consider:</p> <ol style="list-style-type: none">1. Continue with 1 on-line meeting and one face-to face meeting on a regional basis annually.2. Continue with 1 on-line meeting and hold 1 global face-to-face meeting annually3. Hold 2 on-line meetings one year, and the following year hold one on-line and one global meeting. <p>For options 1 and 2 The Nautical Institute will continue to contribute up to £600 towards travel and other costs to attend the face to face meetings.</p> <p>For option 3 The Nautical Institute will contribute up to £1200 towards travel and other costs to attend the face to face meeting.</p> <p>There will be no changes to DPTEG Fees as a result of any decision reached in this regard.</p> <p>A decision will be reached based on feedback from the training centres and preferences are invited by 10th March.</p>
